

Hastings Community Planning Resource

Making Planning Better

Above: Spread from Building Design Nov 16 1990.

Right: 'Battle of Hastings' details of the competition and the successful entrants

Above: Detail, First prize: B&B Architects, Mark Kenney and Roy Finch - elements of delight without pastiche
Left: Detail, Third equal: A Robin, J Green and N Southard - a bravura approach to scale and transport access

Above: Spread from Building Design Nov 16 1990.

Left: Detail, Second prize: Harris Hogan and Sparrow. Echoes of the marine aesthetic of the thirties. Ingenious ideas include a swing bridge

Left: Page from Building Design Nov 16 1990.

Below: Detail, Equal third: P Clinto, S Smith, P Rowstone, C Michael - attractive with good access

Right: Detail, Richard Marsh showed a comprehensive approach to energy generation. The cantilevered observation tower side was admired

Above: Detail, Equal third: Adam John Kinnaird, plan and section - elegant, simple and a crowd puller

Do you like the proposed design? Yes No
